

# British Canoeing Portal Quick Guide

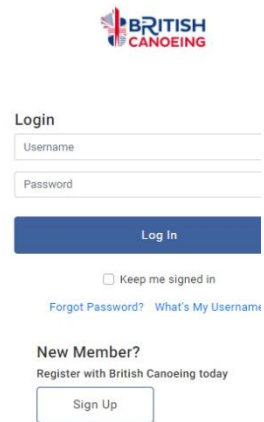

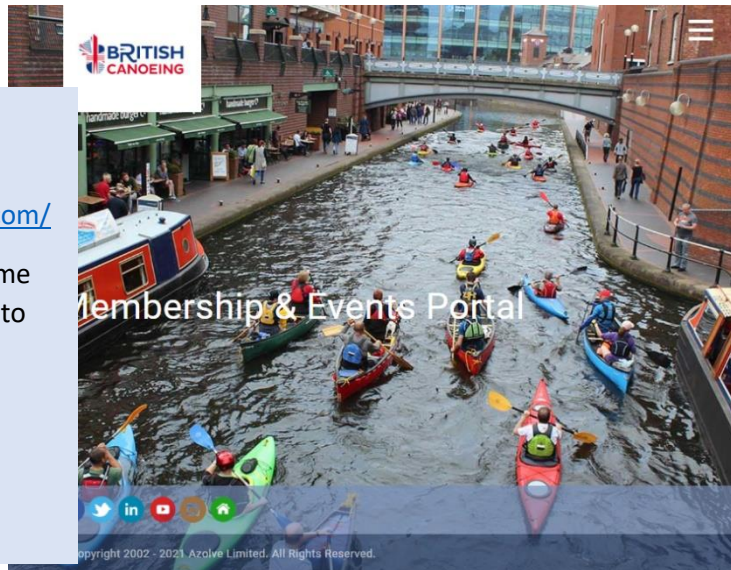

1

Login to the British Canoeing membership portal:

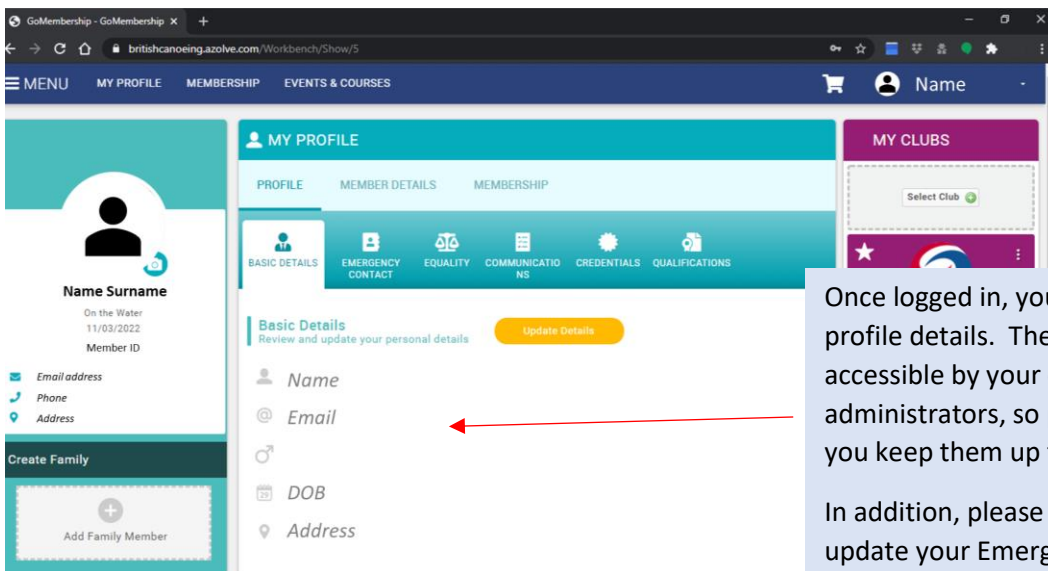

<https://britishcanoeing.justgo.com/>

If you're unsure of your username or password, these can be sent to your email address.

**Hint:** Existing members are registered on the portal and renewal notices are sent to registered email addresses.

2

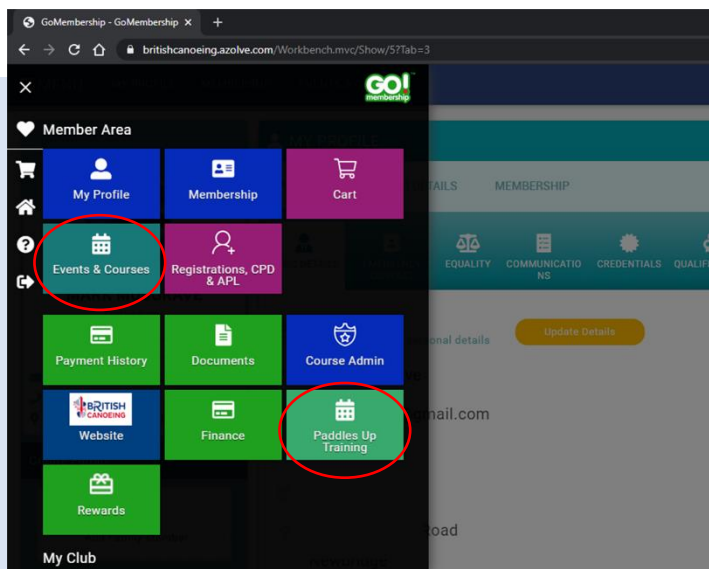

Once logged in, you'll see your profile details. These are accessible by your club administrators, so please ensure you keep them up to date.

In addition, please review and update your Emergency Contact details.

3

In addition to managing your profile and memberships, the portal allows you to search for and book events and courses provided by British Canoeing and other clubs. You can also access a range of training materials through 'Paddles Up Training'.

4

The portal is quite intuitive, but more general guides are available at these links:

- [Editing Personal Details](#)
- [Buying Membership](#)
- [Booking Events](#)
- [Adding Credentials](#)
